To the Teachers in the Classics
and to
All Who are Interested in Classical Studies
in the
States of Washington and Oregon

A Conference is herewith summoned to be held in Portland, June 16th and 17th, 1911, for the purpose of organizing a Classical Association for the Pacific Northwest, similar to those now flourishing in other sections of the United States.

The Conference will begin at 2:30 P. M., Friday, and will continue through the following day, the program to consist of addresses, papers, and discussions of topics connected with classical studies.

All sessions, except that of Friday evening, will be held in the Assembly Hall of Portland Academy, situated on the corner of Montgomery and Thirteenth streets, and reached by Mount Tabor cars on Morrison street or by Washington street cars, changing to Thirteenth.

You are cordially invited to attend and to contribute to the success of the Conference by presenting a paper on any subject that has engaged your attention in the teaching of the Classics.

The self-appointed Committee of Arrangement, whose names are subjoined, are able, by dint of hurried private correspondence, to promise the following list of papers, the extension of which was prevented by the necessity of issuing this circular in due time. Other papers are assured by the time the Conference assembles.
