Secretary's Report, Dec. 30, 1930.

Membership to date for the year 1930-31 is 76. This should properly be 78, for two of last year's members sent their subscription for the Journal directly to the publishers and this has not yet been advised. The distribution is as follows: Oregon 30 (a loss of 4) Washington 37 (a gain of 1); Idaho 5 (a loss of 2), Montana 4 (a loss of 4). Of last year's members 31 have not renewed nor sent in any word although they have been addressed three times. Of this year's 76 or 78, 25 are new members. About 850 letters have been sent out in the course of the year in an effort to retain old members, or secure new ones.
