FROM THE SECRETARY-TREASURER

1. The membership stands at 121. Membership forms have been sent along with the Bulletin to all of last year's members who have not yet paid for the current year. Journal subscriptions were sent in on October 22, December 4, and January 19, and will be sent in again in March. In case of any problem with journal subscriptions, contact the secretary-treasurer.
2. Thanks to the new \$3 membership fee, all expenses during 1979-80 were covered by membership funds, and a surplus of funds accrued. Thus CAPN is now financially secure, whereas last year it was necessary to dip into surplus funds from previous years. This indicates that the \$3 fee will not have to be raised again in the immediate future.

REPORT OF THE SCHOLARSHIP COMMITTEE

In the spring of 1979, an award of \$100 for the purchase of materials to be used in the teaching of Latin was presented to Mr. W.A. Applications for scholarships for summer study in the Classics at one of the member schools of CAPN or for grants for teaching materials to be used in classical studies classes should be sent to Mr. Cadman, 309 E.24th Ave., Vancouver, B.C. V5V 1Z8, Canada.

A list of Latin teachers in the Pacific Northwest has been compiled on a state/province basis and is available from the chairman of the committee on request. All members of the committee have this list and will presently be asked to provide an update for next year.

LETTER FROM GILBERT LAWALL, PRESIDENT OF THE AMERICAN CLASSICAL LEAGUE

To All Friends of the Classics:

As my term as President of the American Classical League nears its end, I wish to make a special appeal to all friends of the Classics (teachers, professors, and laymen) to lend your support to the League. If you are already a member of the League, please recruit at least one new member each month. If you have not yet renewed your membership in the League, please do so today. If you have not been a member but wish to support the study of Latin, Greek, and Classical Studies in our schools, colleges, and universities, please join the League now.

The League has reached out in many new ways during the past four years in an effort to supply needed services and benefits to its members and to improve and extend the study of classical languages and civilizations in our schools and colleges. Steady growth has been visible on all fronts, and we are particularly gratified to note the renewed attention being paid to the Classics in the schools by such national media as Newsweek and the Wall Street Journal.

Students and parents as well are showing a new realization and appreciation of the educational value of classical language study. In a broader context, we are seeking a proper place for classical language study in the resurgence of foreign language study in general that will take place as the recommendations of the President's Commission on Foreign Language and International Studies are implemented by legislation in Congress and passed into law.

Much has been accomplished; steady growth has been achieved in the American Classical League and in our classical language profession as a whole. Now more than ever we need your support if our momentum is to be maintained.

Please do what you can to increase membership in the League, and please do it this month. To become a member or renew a membership, one has only to send a check for \$10.00 to American Classical League, Miami University, Oxford, Ohio 45056.

Thank you for your cooperation and help!

Meals: Breakfasts are available at the University Center, Copper Commons, on campus (full) and at the Sandwich Shop, across Arthur Avenue behind Turner Hall (continental).

For other meals, Missoula offers a wide selection within a limited variety of restaurants. A banquet has been arranged for Friday evening at the Spaghetti Station, a popular dining place with an antique atmosphere. The menu is veal scallopini in a full course dinner, for \$9.00, including gratuity. Transportation will be available. Advance reservation and payment are required for this banquet. (Use reservation form on the last page of Bulletin.)
