Treasurer's Report
February 2, 1987

Scholarship Fund:

Balance October 1, 1986:	\$2877.31
Contributions	<u>17.85</u>
Balance February 2, 1987:	\$2895.16

Note: The bulk of the scholarship fund is held in a certificate of deposit. Interest of approximately \$175.00 can be expected by June, producing a working balance by early summer of slightly over \$3,000.

General Fund

Balance October 1, 1986:	\$904.32
Contributions	0.00
Membership dues	<u>51.50</u>
Balance February 2, 1987:	\$955.82

It continues to be the case that basic expenditures (printing, postage, contributions to organizations) approximately equal income from dues. The result is that the organization is able to maintain a reasonable cushion against the unexpected in its General Fund, but has no surplus to undertake any positive initiative. The Treasurer consequently recommends an increase in the dues for 1988-89 to \$5.00 US.

Respectfully submitted,

John D. Madden
University of Montana
